

# Thanksgiving Basket Brigade

Help us put the **giving** back in **Thanksgiving**

Our mission is to provide a basket containing a **complete Thanksgiving dinner** to struggling families within the Streamwood, Hanover Park, Bartlett, Hoffman Estates, Schaumburg and Elgin areas. Each basket will feed a family of five.

Basket Brigade was inspired by Tony Robbins, who grew up in a struggling family, and experienced complete generosity when someone knocked on his door with a Thanksgiving basket full of food, forever changing his life. This turned into the Basket Brigade movement, which delivers baskets of Thanksgiving Dinners to over 2 million deserving people around the world annually.

## How can you get involved?

You can donate time, money, energy, or all of the above. The Basket Brigade is a gathering of volunteers of all ages who assemble and deliver these food baskets for families-in-need. Our **Assembly Day** event is both fun and impactful. This can certainly be a humbling experience, and we encourage parents to use it as a teaching opportunity for their sons and daughters. For more information, visit our website, or see the reverse side of this flyer.

### **Volunteers Needed!**

*Please consider joining us for the day of assembly. We will need plenty of participants to help with the assembly and delivery.*

### **Kids organizations**

**welcome.** *Do you want to bring your youth organization for service hours? We'd love to have them!*
