Help us put the **giving** back in **Thanksgiving**

Our mission is to provide a basket containing a complete Thanksgiving dinner to struggling families within the communities of **Streamwood, Hanover Park, Bartlett, Hoffman Estates, Schaumburg and Elgin**. We also pride ourselves on delivering a message of hope to these families that their community cares about them. Each basket feeds a family of five. Basket Brigade brings together people who share a desire to help others – knowing that the true gift is in the **giving**.

Basket Brigade was inspired by Tony Robbins, who grew up in a struggling family, and experienced complete generosity when someone knocked on his door with a Thanksgiving basket full of food, and forever changed his life. This simple gesture of giving spawned Basket Brigades across the country, who deliver these baskets of Thanksgiving Dinners to over 2 million deserving people annually.

The secret to **living** is **giving**.
- Tony Robbins

How can you get involved?

You can donate time, money, energy, or all of the above. The Basket Brigade is a gathering of volunteers of all ages who assemble and deliver these food baskets for families-in-need, right here in our community. Our **Assembly Day** event is both fun and impactful. This can certainly be a humbling experience, and we encourage parents to use it as a teaching opportunity for their sons and daughters. For more information, visit our website, or see the reverse side of this flyer.
