2017 PATCH DESIGN

*available to the first 100 children

1. Earn Service Hours as a tribe/pack/den/troop etc. Put a group together and show up in uniform on Assembly Day, Saturday, November 18, 2017.
2. Volunteer as a family. You can still receive a patch* if you wear your uniforms on Assembly Day.
3. Donate either Individually or by becoming a Corporate Sponsor to help us with our mission of feeding families-in-need this Thanksgiving.

The entire experience was amazing. To see people of all ages and ethnicities pack and deliver food was a great lesson in humility and awareness for me and my daughter. To see the look of gratefulness on the recipients of the meals was a joy.
